Summary

Selcuk University, Konya
- During my university education, I participated in various research projects, mastered the use of computers, and improved my data collection and analysis skills. I had the opportunity to improve my language skills and learned intermediate English and advanced Arabic as a foreign language. I want to rise in my career by adding new things to myself every day. I think that I can contribute to your team with my skills and working discipline.

Abilities

Html, Css, Java Script, Bootstrap, Tailwind Css, Jquery, React
C#, Java, Node.js
Flutter Mobile App Development, React Native
Arabic C1, English B1

Interests

Listening to music
Playing sports
